You've had been on long enough, brat! Let me play!
No! You're such a noob you die right away!

I say, you two just can't be quiet!

Oh...

Brat, has master really spent the last 2 days fiddling around with that?
You don't know huh? He learned how!
PSP
Gimmie~
Gimmie~
Eh?! Master is tech-savy!
Master, have you decided to stay here? Your apprentice is so happy!
Pat!

Get your hands off me, I don't recall making you my apprentice!

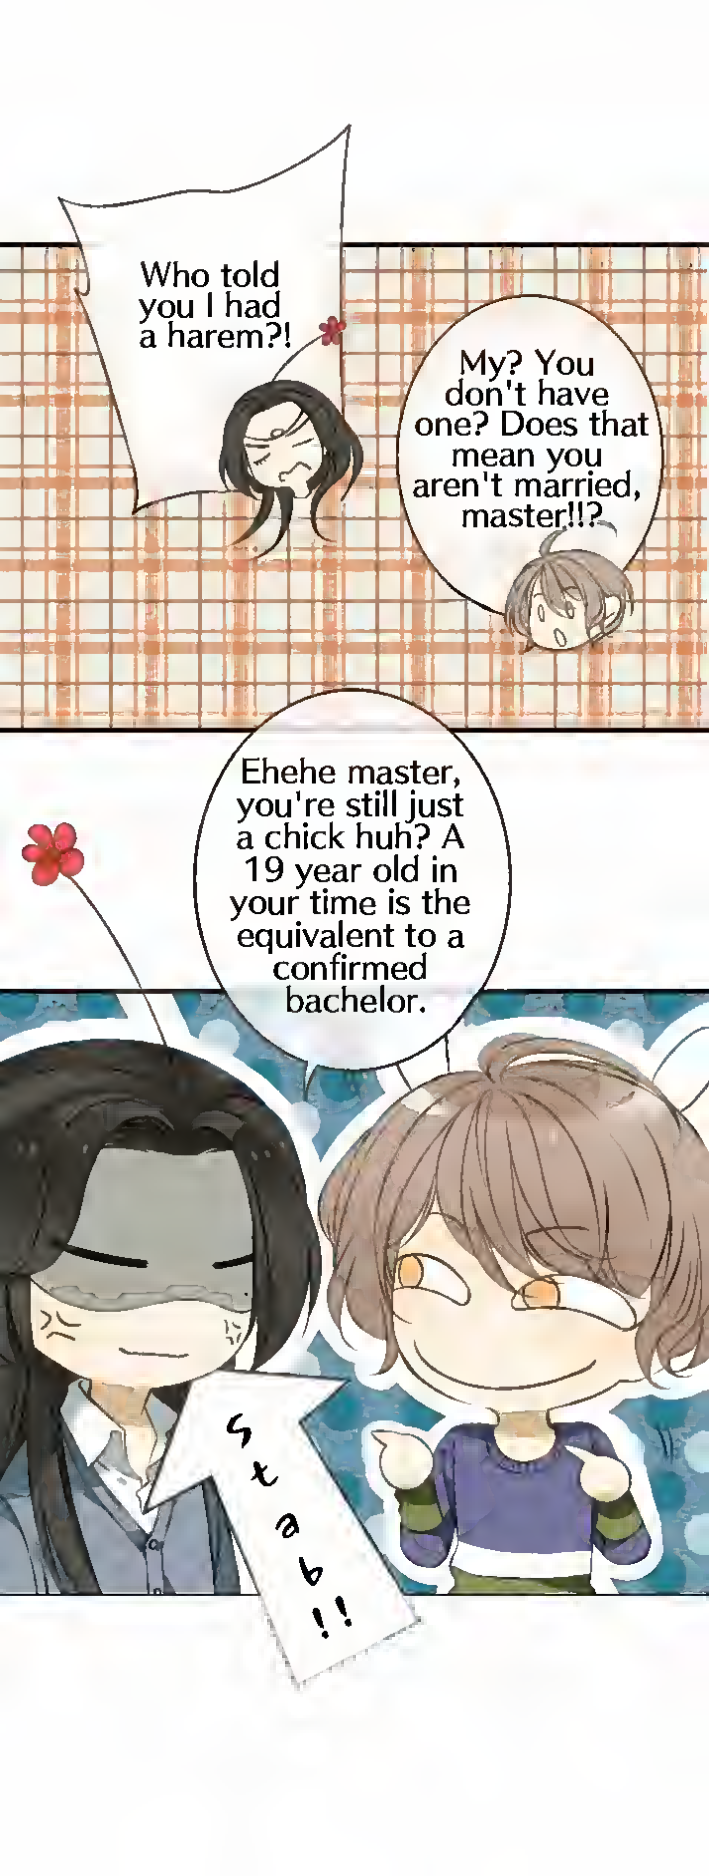
Aiii it hurts!! Master please have mercy!

Oh right master, since you've decided to settle down, then...

What are you going to do about the women in your harem? Have you cast them aside? Abandoned them?

Ah?

Spurts!



Who told you I had a harem?!
My? You don't have one? Does that mean you aren't married, master!!?
Ehehe master, you're still just a chick huh? A 19 year old in your time is the equivalent to a confirmed bachelor.
Slap!!

What's a chick can you eat it? Why are you calling Lianlian a chicken?
Eat...
She's just a kid she doesn't get it! Don't involve her!

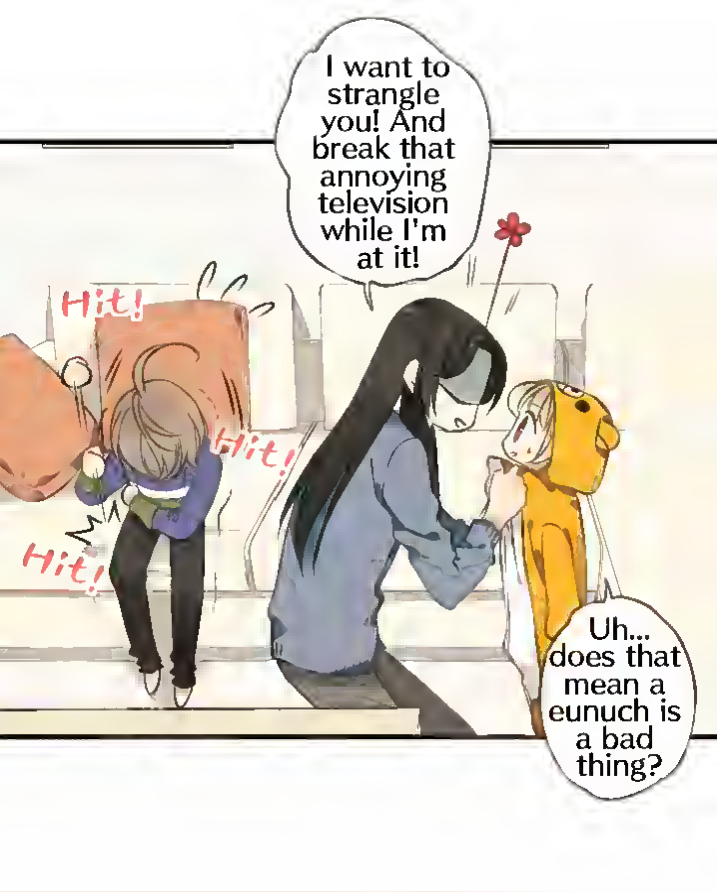
What the heck, if you don't explain it of course I don't understand. Explain it to me!

Oh that's right, Lianlian I've got a question I'd like to ask you!

What?

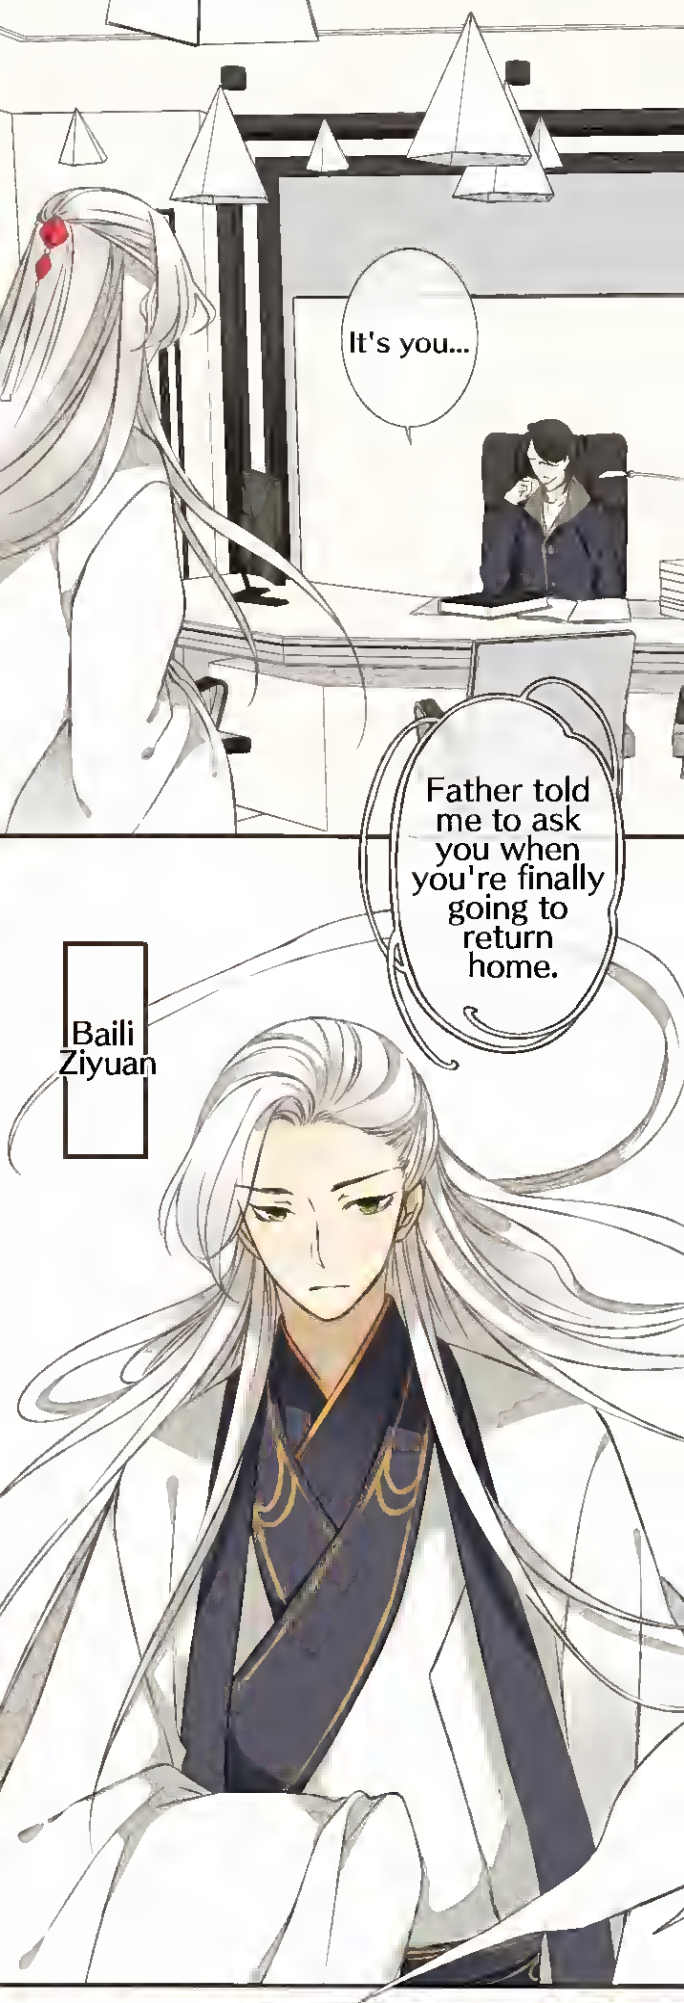
Lianlian is a jinyiwei right? I saw on a drama that jinyiwei's are eunuchs.
*eunuch -a man who has been castrated

What's a eunuch? Is Lianlian one?
Second stab!!
Spurts!!



I want to strangle you! And break that annoying television while I'm at it!
Hit!
Hit!
Hit!
Uh... does that mean a eunuch is a bad thing?

The two of you are driving me crazy!
Mad again... -_-
Brother,

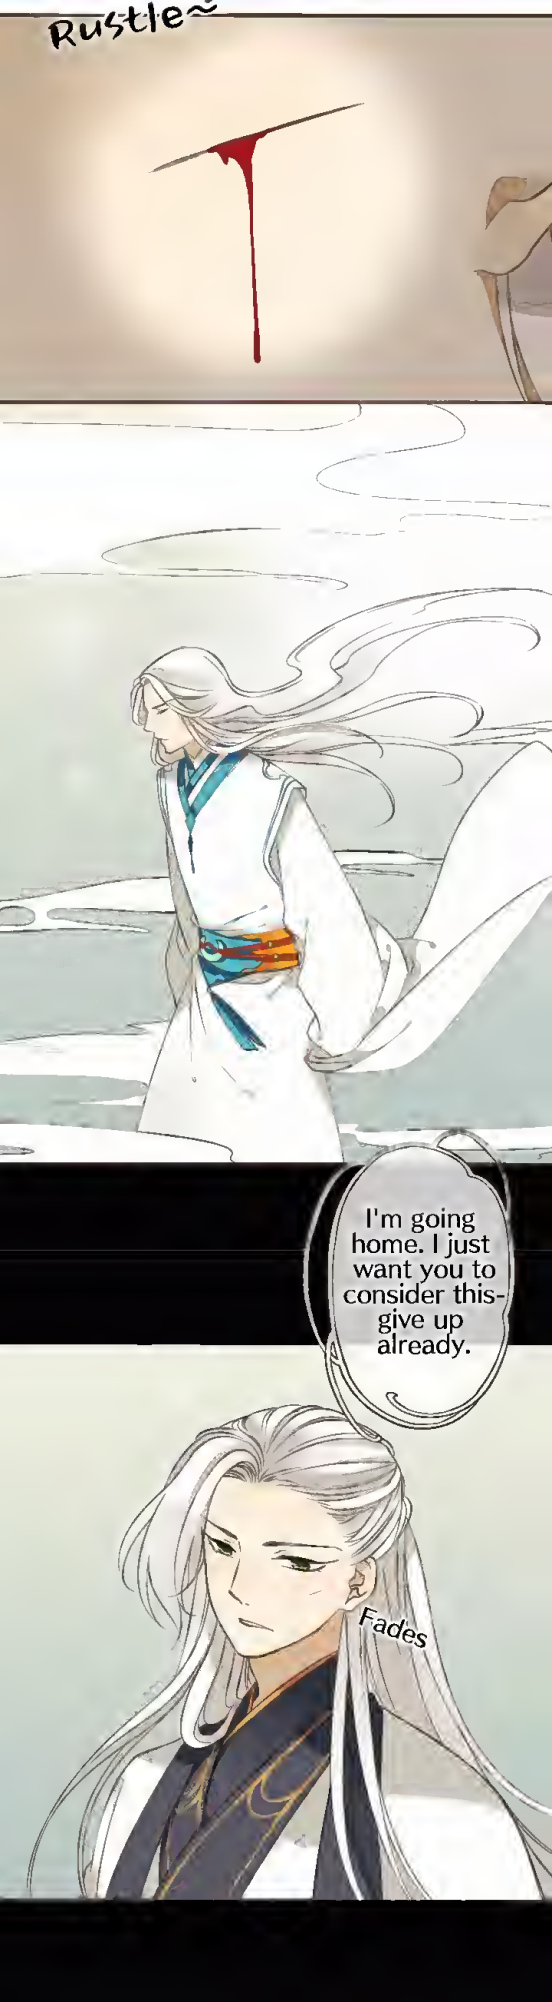


It's you...
Father told me to ask you when you're finally going to return home.
Baili Ziyuan

What, are you giving me an ultimatum?
The last time you refused the divine emperor's bride gift directly to his face you already enraged him.
You've already spent a long time in this mortal world yet you still won't come home and give your reports. Why are you sullying the Baili name?

Ziyuan, you already know I can't return home until I accomplish my goal.
Look at you plotting your dirty tricks! No matter what you do,
Tong will only ever see you as her brother! Regardless of how many lives or generations pass!
Clatter!

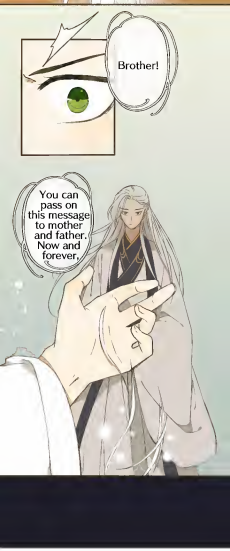
Her heart is completely filled with thoughts of her fox, there's no room for you!!
ENOUGH!
Rustle~



Rustle~
I'm going home. I just want you to consider this- give up already.
Fades

Giving up
would hurt
even more...

Blank Stare-
Brother, you needn't come here looking for me again.
Slice-



I, Baili Shen, have nothing to do with the Baili family!
